

ACC 2010 abstract submission
Deadline for submission: February 8, 2010

Step 1: First (Presenting) Author's Information

- The first (presenting) author **cannot** be the first author of another abstract being submitted.
- The following information is required: First and last name of author(s), institution, city, state and zip code/postal code, telephone and e-mail address.

Step 2: Abstract Presentation Preference

Select one of the following options. However, final assignment to platform or poster presentation is determined by the Program Committee.

- Platform
- Poster
- No Preference

Step 3: Abstract Author List, Title and Text

Include all author names and institutions at the beginning of the abstract.

You are allotted **350 words** for the body of your abstract. Title, author and institutional data are not included in the 350 words. Do not use photographs, tables or graphs in the abstract. All abstracts should be in 12 point font and in Word document. Please send the abstract as an e-mail attachment. *Do not send PDF or Apple compatible files.*

Step 4: Publication Status

You must agree that the following two statements are true regarding the submitted abstract.

1. The work outlined in the abstract has not been published prior to February 8, 2010.
2. The work outlined was performed as research only and not for the promotion of any products or for financial profit.

Step 5: Disclosure Information

We ask that participants be informed of a presenter's (speaker, faculty, author, or contributor) academic and professional affiliation, and the existence of any relevant financial relationship a presenter has with any proprietary entity, with the exemption of non-profit or governmental organizations.

Disclosure should include any relationship that may bias your presentation or could give the perception of bias.

Step 6: Application for Student Awards (Pre-doc/Post-doc)

This is an opportunity for you to apply for a student award. Please inform the Program committee that you would like your abstract to be considered for a student award. Applicant must be the first (presenting) author. Select the type of award (pre-doctoral, post-doctoral) and provide the name and e-mail of the Nominator. The Nominator will be sent an e-mail and will be asked to authenticate the work.

Step 7: Sending the abstract

Send abstract by email only. In the Subject area, put: ACC 2010 abstract.

Send to: szneimer@uslabs.net.

Abstract deadline: February 8, 2010.

You will receive confirmation of the submission of your abstract by email. If you do not receive confirmation within one week of submission, please contact the Program Chair.

At a later date you will receive notice if the abstract was accepted and whether it is for poster or platform presentation.

For any questions on abstract submission, contact the Program Committee Chair.
